ScriptSave[®] pharmacy and vitamin savings:

- Save up to 80% on all your prescription medications at more than 62,000 participating pharmacies nationwide. And there is no limit to how many times the card can be used to receive a discount. Savings average 54%, and in some cases can be 80% or more – based on 2017 national program savings data.

With your Medicare Supplement insurance plan enrollment, we have partnered with Medical Security Card Co. to offer a Prescription Savings Card. You can get instant savings at the pharmacy register on brand and generic prescription medications for anyone in your household – even your pets. Simply present the pharmacy with the Prescription Savings Card – it is that easy. And even if you enroll into Part D for your drug benefits, you can still take advantage of this card to get discounts on drugs not covered under your Part D plan.

Once you enroll into one of our Medicare Supplement insurance plans, a Prescription Savings Card will be sent to you and as long as the program is in place, the savings card won't expire.

DISCOUNT ONLY - NOT INSURANCE. Discounts are available exclusively through participating pharmacies. The range of the discounts will vary depending on the prescription and the pharmacy chosen. This program does not make payments directly to pharmacies. Members are required to pay for all prescription purchases. Members may cancel their registration at any time or file a complaint by contacting Customer Care. This program is administered by Medical Security Card Company, LLC of Tucson, AZ. Based on 2017 national program savings.
